A Call to Fall on Our Knees in Prayer

Sunday, July 4, 2010

i will answer **God's**
call 2 fall on my
knees
in humility.
& seek **HIS** face
in repentance
so that **He** might
forgive my sins
and **HEAL** our land.

I'm in.

For too long, we've depended too much on politicians to restore respect for life, marriage, and religious freedom in America. God has had the answer all along.

He has entrusted a message of national transformation to His people. In 2 Chronicles 7:14, He calls them to humble, repentant prayer and promises to

heal their land if they seek His face and turn from their wicked ways.

God prescribes a very specific type of prayer that is required for national spiritual transformation. His healing begins only after we fall to our knees and take responsibility for the condition of our nation by corporate and individual sins.

Prayers change hearts and lead to national revival

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land. (2 Chron. 7:14)"
