

Signatory Sheet Instructions

Many people have asked about collecting signatures in support of the Manhattan Declaration in their churches, neighborhoods, and other organizations. Others have asked about how those who do not have Internet access might be able to sign. The sign-up sheet process is designed to meet those needs.

We encourage those who wish to collect signatures to download a copy of the Manhattan Declaration from www.manhattandeclaration.org and print it out for people to read. Print as many copies and distribute them as widely as you wish.

Print as many copies of the signatory sheet you wish to use. Each will accommodate up to 23 signatures.

The person collecting signatures should complete the top part of the form.

Invite supporters to sign the Manhattan Declaration by filling out the three columns of the form. People who do not wish to provide their email address may refrain from doing so. However, please let people know that we will only use their email address only to keep them informed about the Manhattan Declaration.

Once you have completed collecting signatures, **please fax the form to 703-889-5136.**

If you wish, you may mail completed forms to:
